SUBJECT: ADDITIONAL ASSESSMENTS/REASSESSMENTS

EFFECTIVE
DATE: 04-07-10 (replaces 10-15-98)

APPROVED BY:

Executive Director

Reviewed (no changes): 04-06-11 _____

POLICY

It is the policy of McIntosh Trail CSB that the scope and intensity of any further assessments are determined by the care setting, the individual's need and desire for care, the individual's response to any previous care, and authorization timeframes.

PROCEDURES:

1. Further assessment may/will be provided in the care setting.
2. Assessment, reassessment, and care are ongoing processes.
3. Treatment goals and/or care setting shall be evaluated and periodically revised when major clinical changes occur to include consumer's response to care or desire for care.
4. Any further assessment will be provided in the care setting unless those or other care needs require referral to a private practitioner or other care setting. All requirements regarding Release of Information will be followed.
