

REFUSAL TO SUBMIT TO POLYGRAPH EXAMINATION

I understand that I am being directed by McIntosh Trail CSB to submit to a polygraph examination as part of an internal investigative procedure.

I further understand that I have not been directed to waive any rights which has been guaranteed to me by either the United States Constitution, the Constitution of the State of Georgia or any state or federal law (including any right against self-incrimination under the Fifth Amendment of the United States Constitution).

I further understand that McIntosh Trail CSB has not directed me to waive my right to object to answering any individual questions during the examination which I feel would tend to incriminate me or to otherwise expose me to criminal prosecution.

I further understand that my refusal to comply with this order may result in McIntosh Trail CSB terminating my service with the agency.

With these understandings in mind, I refuse to submit to a polygraph examination.
